

FOR LOUISIANA ATTORNEYS · AN ELITE SIDE HUSTLE

Ride with the Krewe

The Streetcar Krewe — Streetcar Notary's dispatch roster of attorney-notaries

Louisiana's notary exam is one of the hardest in the country. **You were exempted the day you passed the bar.** Every active Louisiana attorney can be commissioned as a civil-law notary — statewide jurisdiction, no exam. The Streetcar Krewe puts that dormant credential to work: paid mobile signings across greater New Orleans, dispatched to your phone, on the evenings and weekends you choose.

Why Ride

- **Real money, small windows.**
Typically \$95–\$110 per dispatched signing; most finish in under an hour. Premium jobs pay more.
- **Zero client development.**
Dispatch brings the work. AI-assisted intake preps every signer — ID, witnesses, unsigned documents — before you roll.
- **Your schedule is the schedule.**
Accept the jobs you want, pass on the rest. No shifts, no quotas, no partner meetings.
- **Elite by design.** A krewe of attorney-notaries is the brand — your license is the credential clients are buying.

What It Takes

- **Active Louisiana bar license** — the non-negotiable.
- **Louisiana notary commission.** As an attorney: application and bond, no exam. We'll point you through it.
- **E&O insurance** — \$25k to start; \$100k for loan-signing work.
- **For loan signings:** NNA signing-agent certification and background screen.
- **The basics:** reliable car, smartphone, and courtroom-grade professionalism at a kitchen table.

The Job

- **Accept a dispatched signing** in your parish — client, documents, fee, and have-ready checklist included.
- **Meet the signer** at their home, office, or hospital room. Verify ID, execute with Louisiana's formalities done right.
- **Scan back same day.** Streetcar handles the client, the collections, and the paperwork — you handle the stamp.
- **The bar:** on time, executed clean, zero drama. That's the whole job description.
